Apprenticeships/Traineeships & Qualifications – Information for Employers

The Academy is an industry-focused Registered Training Organisation (RTO) that offers nationally accredited qualifications through Apprenticeships and Traineeships or Entitlement Full Qualifications subsidised under [NSW Smart & Skilled](#). We provide training and assessment for practical and theoretical skills that enable staff to gain nationally recognised qualifications as well as the experience to meet industry standards. Our training is highly regarded by business and industry and is government regulated. The Academy offer flexible employment-based training programs that combine work and structured training. Training programs can be customised to the learning needs of individuals and with flexible on the job training there is minimal alterations to rostered hours.

Apprenticeships/Traineeships & Qualifications will help you:

- meet your company's skill demands
- ensure the quality of your workforce
- increase productivity
- reduce staff turnover
- improve safe working practices

This will ultimately lead to increased profits for your organisation which can be used for:

- the support of further training,
- funding of staff during training,
- incentivising staff to complete training

Note: Government training incentives may be available per eligible employee.
