

Fee Administration Policy

Austrain Academy offers programs / services on a government subsidised or commercial basis.

The policy applies to:

- **AQF Qualifications and Statements of Attainment**
- **Recognition of Prior Learning (RPL)**
- **Customised training developed for individuals, enterprises and client groups**
- **Commercial non-accredited courses**
- **Consultation Services**
- **Compliance Systems**

There are two fee structures:

1. Government funded/subsidised training under Smart & Skilled – see also

https://www.training.nsw.gov.au/forms_documents/smartandskilled/contract/2020_21/fee_administration_policy_20_21.pdf

Austrain Academy conducts government subsidised training & assessment for the following types of Qualifications or Part Qualifications: Entitlement Full Qualifications; Entitlement Apprenticeships and Traineeships Qualifications; Targeted Priorities Full Qualifications and Targeted Priorities Prevocational and Part Qualifications. Eligibility criteria apply to these programs and these may be found at www.smartandskilled.nsw.gov.au

Austrain Academy must charge the relevant fee set by the NSW government. These fees are based on the qualification and the characteristics of the student. The fee is set for the whole qualification and is not an annual fee. The fee should be determined at enrolment. The student will pay the fee for the qualification that applies in the year when they commence training and will not be affected by any subsequent changes to Smart and Skilled fees. These fees can be accessed at the above website and will be confirmed in writing to the prospective student prior to the completion of the enrolment process. We will provide you an Eligibility Enquiry Report detailing the student fees payable. If you wish to proceed with your enrolment, Austrain Academy will provide a Notification of Enrolment.

These fees may be adjusted by any Recognition of Prior Learning (RPL) or Credit Transfer (CT) granted and will reduce the total Student Fee. This is determined by using the Smart and Skilled Provider Calculator. You MUST provide any copies of Transcripts for UOC's you have previously attained - any delay may result in incorrect fees charged. You may also visit the [USI Registry](http://www.usi.gov.au) to download a transcript of previous training you may have completed. You will be informed and your fees adjusted if any RPL or CT is reported after the Notification of Enrolment process.

Fees will be invoiced to either the Student or Employer (some Modern Awards include provision for Employer payment of fees on behalf of their apprentice or trainee and where this is the case the employer will pay the Student Fee – see www.fairwork.gov.au) as indicated on Austrain Academy's enrolment form. If not indicated, fees will be invoiced to the student. Employers will be invoiced on the same basis as students, with provision for payment by instalments if required by the employer. (All references in this policy to charging a Student Fee encompasses charging anyone else who may pay the fee on behalf of the student. This includes, but is not limited to: the student; the student's employer; parent / guardian.)

Fees will be invoiced at 50% of the total qualification student fee upon completion of the enrolment process. (These fees will not exceed \$1,000.00 prior to qualification/course commencement).

The balance of the student fee will be triggered by commencement of 50% of the units of competence for the qualification / course. (These fees will not exceed \$1,500.00 in advance).

(Commencement of the course / qualification is defined by Austrain Academy as the student receiving or being given access to learning / training materials for at least one Unit of Competence (UOC). The student must sign to acknowledge receipt of these materials.)

You may make an arrangement with Austrain Academy to pay off these fees. The minimum arrangement is \$25.00/week. You MUST contact Austrain Academy office to make this arrangement, prior to your invoice due date. (14 days from invoice issued date). You will be contacted by Austrain Academy Administration within 7 days of failure

to meet the payment terms. Failure to meet the terms of the payment arrangement will result in the full invoice amount falling due. This may also result in training not commencing or suspension of training.

All outstanding fees **MUST** be paid by completion of your course/qualification. Failure to complete payment will result in non-issuance of your statement of attainment / record of results/testamur and your debt may be referred to an independent Debt Recovery Agency.

Withdrawal without Penalty

Austrain Academy will refund/credit any fees paid, without incurring an administration fee, if you wish to withdraw from the course/qualification within 10 working days from the date of your signing the Austrain Academy enrolment form.

You must provide your withdrawal notice including your reasons for withdrawal in writing to Austrain Academy, utilising the **Withdrawal / Refund Application Form** if you wish to withdraw at any time during the course.

Discontinuing / Transferring Out / In

Withdrawal after 10 working days will incur the following fees, based upon commencement of UOC's in your qualification/course.

Total student fee divided by number of UOC's in the qualification times by the number of UOC's commenced.

Example:

Certificate III in Hospitality – SIT30616

Total Student Fee First Qualification: \$1450.00

Total UOC in Qualification/course: 15

Commenced UOC's: 1

$1450 \div 15 \times 1 = \97.00 fee (rounded up to nearest \$1.00)/unit commenced.

In this example if you had commenced 4 UOC's the fee would be \$388.00.

If you have paid more than this amount a refund will be issued via your original payment method, and an invoice detailing all fees applied and any refunds due will be provided.

All discontinuing / transferring students will be provided –

- A statement of attainment within 30 days of the notice of discontinuance
- An up-to-date Training Plan
- A statement of fees issued by Austrain Academy including any refunds for fees paid for UOC's not completed.
- For apprentices or trainees – notification / cancellation form to the local Training Services NSW office within 14 days of notification of discontinuation of the training

Note - The above process is also applicable if a student withdraws from training not of their own accord eg. Austrain Academy ceases to operate as a training provider, is no longer approved to deliver Smart and Skilled training or changes to delivery mode post enrolment. Students in these situations will be supported to complete their training in a replacement course with a subsequent provider. If the student in this situation elects to transfer to another provider, the student fee charged in total by the two Smart and Skilled providers cannot exceed the Student Fee quoted by the initial provider.

Students transferring to Austrain Academy in this situation must supply the documentation listed above from their former training provider to Austrain Academy. If this documentation cannot be sourced (due to eg. Provider closure); Austrain Academy will contact the Department to determine the fee to be charged to the student.

Deferring Students

Enrolled students may defer their training for a maximum period of 12 months. Students must notify Austrain Academy in writing of their request to defer. There will be no requirement to pay student fees during the deferral period. A new invoice will be issued with the balance of student fees owing once the deferral period is completed.

Enrolled students who do not recommence within a 12 month period will be subject to the withdrawal process outlined above.

Training Package Transition

Where a student is enrolled in a qualification that is superseded and is required to / chooses to transition to the new qualification, the student fee will remain the same.

Fee Categories:

Standard Student - First Qualification

This fee applies to students who do not hold a post school qualification from any tertiary sector in Australia or overseas. Qualifications not deemed to be post-school qualifications are qualifications achieved:

- while at school as part of secondary education, or
- prior to turning 17 or aged 15 - 17 at commencement of training

The following qualifications have been determined not to be post-school qualifications:

- Certificate I Qualifications
- Smart and Skilled Entitlement Foundation Skills Qualifications
- Any other foundation skills qualification (up to and including Certificate III) eg. English LLN & Employability Skills qualifications
- Certificate IV NSW Tertiary Preparation Certificate

Standard Student - Subsequent Qualification

This fee applies to students who already hold a post-school qualification from any tertiary sector in Australia or overseas. This fee is the higher of the two Standard Student Fees. Where a student completes a Smart and Skilled Qualification and enrolls in another (except an apprenticeship or traineeship), the student will be charged this fee for the subsequent qualification.

Apprenticeship and Traineeship Fees

The fee for a qualification delivered under an apprenticeship or traineeship pathway is lower than the fee for a qualification not delivered under these pathways.

Apprenticeship qualification fees are capped at \$2,000 and Traineeship qualification fees are capped at \$1,000.

Fee Free Apprenticeships & Traineeships

NSW apprentices & trainees who are funded under Smart & Skilled and who commence training for the first time on or after 1 July 2018 (for apprentices) and 1 January 2020 (for trainees) are eligible for a Fee Free Apprenticeship or Traineeship. This includes:

1. Apprentices who commence subsidised training for the first time on or after 1 July 2018 and Trainees who commence subsidised training for the first time on or after 1 January 2020
2. Apprentices & Trainees whose apprenticeship/traineeship is cancelled and subsequently recommence an apprenticeship in the same vocation with a different employer, and recommence subsidised training on or after the above dates
3. Apprentices & Trainees whose apprenticeship/traineeship is cancelled, and subsequently commence a new apprenticeship in a new vocation with a same/different employer, and commence in subsidised training on or after the above dates
4. An Apprentice or Trainee who has completed an apprenticeship/traineeship and is undertaking a subsequent apprenticeship/traineeship and is commencing the subsidised training on or after the above dates

For 2 and 3 above, and in some scenarios 4; must be awarded Credit Transfer (CT) and / or Recognition of Prior Learning (RPL) (where relevant), and this is reflected in the Notification of Enrolment through the Provider

Calculator. Where this occurs, only the proportion of training that is undertaken after 1 July 2018 for the new apprenticeship qualification and 1 January 2020 for the new traineeship qualification is fee free.

Specific apprentice exclusions from eligibility for fee free training, are where a NSW apprentice or trainees who commenced training prior to 1 July 2018 (apprenticeship) and 1 January 2020 (traineeship) recommences their subsidised training:

- a) with the same provider, and is employed by the same employer in the same vocation, or
- b) changes provider and remains party to a training contract with the same employer and in the same vocation
- c) commenced training under a school based apprenticeship/traineeship prior to the above dates and then transitions to a full apprenticeship on or after those dates.

The apprentice / trainee must be granted CT / RPL and be subject to reduced fees due to CT / RPL.

Concession Fees

Concession Fees are discounted fees and are a flat fee of up to \$240.00 (depending on the qualification chosen) for all Certificate levels up to and including Certificate IV. A Fee Concession is available and may be applied for using the appropriate **form** if the student is a recipient of eligible Commonwealth benefits or allowances, or a dependent child, spouse or partner of a person receiving the eligible benefit.

Where a student is eligible for a concession and has been awarded CT and/or RPL, if the relevant adjusted Standard Student fee (First or Subsequent) is lower than the concession fee, the student will pay the lower fee.

Under the Skilling for Recovery Initiative, students who meet the eligibility criteria will also be eligible for fee-free training. Please see the **Exemption Concession Form** for eligibility criteria and required documentation.

Part Qualification Fees

Students undertaking a part qualification will not be charged a fee as these programs are fully subsidised by the NSW Government. Completing a part qualification under the Targeted Priorities Prevocational and Part Qualifications Program does not affect the fee eligibility of a student subsequently undertaking a full qualification under Smart and Skilled EFQ or TPFQ Programs. If they are required to pay a student fee, then the student must pay either the Standard Student – First Qualification Fee or the Concession Fee.

Where a student, as a result of undertaking two or more part qualifications under the Targeted Priorities Prevocational and Part Qualifications Program is awarded a full qualification, and subsequently undertakes a full qualification under the Entitlement or Targeted Priorities Full Qualifications program, and they are required to pay a student fee, the student must pay either the Standard Student – Subsequent Qualification Fee or the concession fee if a fee exemption is not applicable. **The student must indicate at enrolment that they have previously achieved a full qualification.**
