### Health and Safety Representative (HSR)

#### 5 day course

The Health and Safety Representative 5 day course is designed for newly elected HSR's and deputy HSR's.

This is an approved training course for *Health and Safety Representatives (HSRs)* under the NSW Work Health and Safety (WHS) legislation. The course meets the requirements of the WHS Regulations for HSRs elected under the WHS Act.

This course will provide participants with information and skills that will assist HSRs to carry out their role and functions under the WHS legislation including:

- ❖ an understanding of the new Work Health and Safety (WHS) legislation;
- ❖ an understanding of how it applies to their role as elected Health and Safety Representatives (HSRs) and deputy HSRs; and
- ❖ the knowledge and skills necessary to use their additional powers under the WHS legislation to issue Provisional Improvement Notices and direct that unsafe work cease.

### Health and Safety Representative (HSR)

#### 1 day Refresher

This course is designed for elected HSRs under the WHS Act who have:

- already completed the HSR Initial 5 Day training or
- deemed HSRs who had previously completed the OHS Consultation 4 day course plus the HSR Bridging/Gap 1 Day Course.

HSRs are entitled to attend one day's refresher training each year (as provided for in the WHS Act Section 72), with the entitlement to the first refresher training commencing 1 year after the initial 5 day course. Participants will refresh their understanding of their roles, powers and functions in the representation, monitoring, investigation and enquiry into work health and safety management at their workplace under the WHS law.
