Unique Student Identifier (USI)

From 1 January 2015 if you are undertaking nationally recognised training delivered by a registered training organisation you will need to have a Unique Student Identifier (USI). This applies whether you are doing a full qualification or a single Unit of Competence.

If you have a USI, you must provide it to Austrain Academy for verification with the Student Identifiers Registrar. Austrain Academy cannot issue a Statement of Attainment or Testamur and Record of Results without a verified USI.

We will use the number you provide as well as the name and date of birth and number from one of the forms of identification in Section 14. This identification information must be the same as when the USI was created. You may access your USI account and provide permission for Austrain Academy to view your training records/transcript to assist with an application for Recognition of Prior learning (RPL). You may also give Austrain Academy permission to view and update your account details. See www.usi.gov.au/students for more information.

If you do not already have a Unique Student Identifier (USI) and you want Austrain Academy to apply for a USI on your behalf, you must authorise Austrain Academy to do so and declare that you have read the privacy information at <https://www.usi.gov.au/documents/privacy-notice-when-rto-applies-their-behalf> You must also provide some additional information as noted in the Identification Section 14 so that we can apply for a USI on your behalf.

When we apply for a USI on your behalf the Registrar will verify your identity through the Document Verification Service (DVS) managed by the Attorney- General's Department. This service is built into the USI online application process and verifies documents such as a Medicare card, birth certificate, driver's licence, Australian passport, citizenship document, certificate of registration by descent, ImmiCard or Australian entry visa. If you do not have a document suitable for the DVS and we are authorised to do so by the Registrar we may be able to verify your identity by other means. If you do not have any of the identity documents mentioned above, and we are not authorised by the Registrar to verify your identity by other means, we cannot apply for a USI on your behalf and you should contact the Student Identifiers Registrar.

In accordance with section 11 of the [Student Identifiers Act 2014 \(SI Act\)](#), we will securely destroy personal information which we collect from you solely for the purpose of applying for a USI on your behalf as soon as practicable after the USI application has been made or the information is no longer needed for that purpose, unless we are required by or under any law to retain it. The personal information about you that we provide to the Registrar, including your identity information, is protected by the [Privacy Act 1988 Cth \(Privacy Act\)](#). The collection, use and disclosure of your USI are protected by the SI Act.

Privacy policies and complaints

You can find further information on how the Registrar collects, uses and discloses the personal information about you in the [Registrar's Privacy Policy](#) www.usi.gov.au/Pages/privacy-policy.aspx or by contacting the Registrar on 13 38 73. The Registrar's Privacy Policy contains information about how you may access and seek correction of the personal information held about you and how you may make a complaint about a breach of privacy by the Registrar in connection with the USI and how such complaints will be dealt with.

You may also make a complaint to the Information Commissioner about an interference with privacy pursuant to the Privacy Act, which includes the following:

- misuse or interference of or unauthorised collection, use, access, modification or disclosure of USIs; and
- a failure by us to destroy personal information collected by you only for the purpose of applying for a USI on your behalf.

For information about how Austrain Academy collects, uses, discloses and stores your personal information generally, including how you can make a complaint about a breach of privacy, please refer to Austrain Academy's Privacy Policy and Student Record Policy which can be found in our Handbook and at www.austrainacademy.com.au

The VET Quality Framework (VQF).

You are about to become a student in a process that can result in achieving a nationally accredited qualification. These qualifications can only be delivered by a Registered Training Organisation (RTO).

To be an RTO we need to meet the requirements of the VET Quality Framework. This is comprised of the following elements:

- Standards for Registered Training Organisations (RTO's) 2015
- Australian Qualifications Framework
- Fit and Proper Person Requirements
- Financial Viability Risk Assessment Requirements
- Data Provision Requirements

This is assessed nationally by ASQA.

The service standards you can expect are set out in the **Standards for Registered Training Organisations (RTO's) 2015**.

A newly registered RTO will be audited within the first 12 months of operation to ensure compliance to the VQF and will be re-audited during its subsequent five year registration period.

These standards and the auditing process are intended to provide the basis for a nationally consistent, high quality vocational education and training system.

These are described in more detail in the **National Vocational Education and Training Regulator Act 2011** and confirm the right of ASQA to audit Austrain Academy, apply penalties for non-compliance, and define the requirements to retain records and other administration and operational requirements of a functioning RTO.

Our training is consistent with the Australian Qualifications Framework and the requirements of the relevant training packages and Vocational Training orders (where applicable). It is in accordance with the applicable Commonwealth or state legislative, regulatory and licensing requirements where applicable.

Fee Administration Policy

Austrain Academy offers programs / services on a government subsidised or commercial basis.

The policy applies to:

- AQF Qualifications and Statements of Attainment
- Recognition of Prior Learning (RPL)
- Customised training developed for individuals, enterprises and client groups
- Commercial non-accredited courses
- Consultation Services
- Compliance Systems

There are two fee structures:

1. Government funded/subsidised training under Smart & Skilled – see also

https://www.training.nsw.gov.au/forms_documents/smartandskilled/contract/2020_21/fee_administration_policy_20_21.pdf

Austrain Academy conducts government subsidised training & assessment for the following types of Qualifications or Part Qualifications: Entitlement Full Qualifications; Entitlement Apprenticeships and Traineeships Qualifications; Targeted Priorities Full Qualifications and Targeted Priorities Prevocational and Part Qualifications. Eligibility criteria apply to these programs and these may be found at

www.smartandskilled.nsw.gov.au

Austrain Academy must charge the relevant fee set by the NSW government. These fees are based on the qualification and the characteristics of the student. The fee is set for the whole qualification and is not an annual fee. The fee should be determined at enrolment. The student will pay the fee for the qualification that applies in the year when they commence training and will not be affected by any subsequent changes to Smart and Skilled fees. These fees can be accessed at the above website and will be confirmed in writing to the prospective student prior to the completion of the enrolment process. We will provide you an Eligibility Enquiry Report detailing the student fees payable. If you wish to proceed with your enrolment, Austrain Academy will provide a Notification of Enrolment.

These fees may be adjusted by any Recognition of Prior Learning (RPL) or Credit Transfer (CT) granted and will reduce the total Student Fee. This is determined by using the Smart and Skilled Provider Calculator. You MUST provide any copies of Transcripts for UOC's you have previously attained - any delay may result in incorrect fees charged. You may also visit the [USI Registry](#) to download a transcript of previous training you may have completed. You will be informed and your fees adjusted if any RPL or CT is reported after the Notification of Enrolment process.

Fees will be invoiced to either the Student or Employer (some Modern Awards include provision for Employer payment of fees on behalf of their apprentice or trainee and where this is the case the employer will pay the Student Fee – see www.fairwork.gov.au) as indicated on Austrain Academy's enrolment form. If not indicated, fees will be invoiced to the student. Employers will be invoiced on the same basis as students, with provision for payment by instalments if required by the employer. (All references in this policy to charging a Student Fee encompasses charging anyone else who may pay the fee on behalf of the student. This includes, but is not limited to: the student; the student's employer; parent / guardian.)

Fees will be invoiced at 50% of the total qualification student fee upon completion of the enrolment process. (These fees will not exceed \$1,000.00 prior to qualification/course commencement).

The balance of the student fee will be triggered by commencement of 50% of the units of competence for the qualification / course. (These fees will not exceed \$1,500.00 in advance).

(Commencement of the course / qualification is defined by Austrain Academy as the student receiving or being given access to learning / training materials for at least one Unit of Competence (UOC). The student must sign to acknowledge receipt of these materials.)

You may make an arrangement with Austrain Academy to pay off these fees. The minimum arrangement is \$25.00/week. You MUST contact Austrain Academy office to make this arrangement, prior to your invoice due date. (14 days from invoice issued date).

You will be contacted by Austrain Academy Administration within 7 days of failure to meet the payment terms. Failure to meet the terms of the payment arrangement will result in the full invoice amount falling due. This may also result in training not commencing or suspension of training.

All outstanding fees MUST be paid by completion of your course/qualification. Failure to complete payment will result in non-issuance of your statement of attainment / record of results/testamur and your debt may be referred to an independent Debt Recovery Agency.

Withdrawal without Penalty

Austrain Academy will refund/credit any fees paid, without incurring an administration fee, if you wish to withdraw from the course/qualification within 10 working days from the date of your signing the Austrain Academy enrolment form.

You must provide your withdrawal notice including your reasons for withdrawal in writing to Austrain Academy, utilising the **Withdrawal / Refund Application Form** if you wish to withdraw at any time during the course.

Discontinuing / Transferring Out / In

Withdrawal after 10 working days will incur the following fees, based upon commencement of UOC's in your qualification/course.

Total student fee divided by number of UOC's in the qualification times by the number of UOC's commenced.

Example:

Certificate III in Hospitality – SIT30616

Total Student Fee First Qualification: \$1450.00

Total UOC in Qualification/course: 15

Commenced UOC's: 1

$1450 \div 15 \times 1 = \97.00 fee (rounded up to nearest \$1.00)/unit commenced.

In this example if you had commenced 4 UOC's the fee would be \$388.00.

If you have paid more than this amount a refund will be issued via your original payment method, and an invoice detailing all fees applied and any refunds due will be provided.

All discontinuing / transferring students will be provided –

- A statement of attainment within 30 days of the notice of discontinuance
- An up-to-date Training Plan
- A statement of fees issued by Austrain Academy including any refunds for fees paid for UOC's not completed.
- For apprentices or trainees – notification / cancellation form to the local Training Services NSW office within 14 days of notification of discontinuation of the training

Note - The above process is also applicable if a student withdraws from training not of their own accord eg. Austrain Academy ceases to operate as a training provider, is no longer approved to deliver Smart and Skilled training or changes to delivery mode post enrolment. Students in these situations will be supported to complete their training in a replacement course with a subsequent provider. If the student in this situation elects to transfer to another provider, the student fee charged in total by the two Smart and Skilled providers cannot exceed the Student Fee quoted by the initial provider.

Students transferring to Austrain Academy in this situation must supply the documentation listed above from their former training provider to Austrain Academy. If this documentation cannot be sourced (due to eg. Provider closure); Austrain Academy will contact the Department to determine the fee to be charged to the student.

Deferring Students

Enrolled students may defer their training for a maximum period of 12 months. Students must notify Austrain Academy in writing of their request to defer. There will be no requirement to pay student fees during the deferral period. A new invoice will be issued with the balance of student fees owing once the deferral period is completed. Enrolled students who do not recommence within a 12 month period will be subject to the withdrawal process outlined above.

Training Package Transition

Where a student is enrolled in a qualification that is superseded and is required to / chooses to transition to the new qualification, the student fee will remain the same.

Fee Categories:

Standard Student - First Qualification

This fee applies to students who do not hold a post school qualification from any tertiary sector in Australia or overseas. Qualifications not deemed to be post-school qualifications are qualifications achieved:

- while at school as part of secondary education, or
- prior to turning 17 or aged 15 - 17 at commencement of training

The following qualifications have been determined not to be post-school qualifications:

- Certificate I Qualifications
- Smart and Skilled Entitlement Foundation Skills Qualifications
- Any other foundation skills qualification (up to and including Certificate III) eg. English LLN & Employability Skills qualifications
- Certificate IV NSW Tertiary Preparation Certificate

Standard Student - Subsequent Qualification

This fee applies to students who already hold a post-school qualification from any tertiary sector in Australia or overseas. This fee is the higher of the two Standard Student Fees. Where a student completes a Smart and Skilled Qualification and enrolls in another (except an apprenticeship or traineeship), the student will be charged this fee for the subsequent qualification.

Apprenticeship and Traineeship Fees

The fee for a qualification delivered under an apprenticeship or traineeship pathway is lower than the fee for a qualification not delivered under these pathways.

Apprenticeship qualification fees are capped at \$2,000 and Traineeship qualification fees are capped at \$1,000.

Fee Free Apprenticeships & Traineeships

NSW apprentices & trainees who are funded under Smart & Skilled and who commence training for the first time on or after 1 July 2018 (for apprentices) and 1 January 2020 (for trainees) are eligible for a Fee Free Apprenticeship or Traineeship. This includes:

1. Apprentices who commence subsidised training for the first time on or after 1 July 2018 and Trainees who commence subsidised training for the first time on or after 1 January 2020
2. Apprentices & Trainees whose apprenticeship/traineeship is cancelled and subsequently recommence an apprenticeship in the same vocation with a different employer, and recommence subsidised training on or after the above dates
3. Apprentices & Trainees whose apprenticeship/traineeship is cancelled, and subsequently commence a new apprenticeship in a new vocation with a same/different employer, and commence in subsidised training on or after the above dates
4. An Apprentice or Trainee who has completed an apprenticeship/traineeship and is undertaking a subsequent apprenticeship/traineeship and is commencing the subsidised training on or after the above dates

For 2 and 3 above, and in some scenarios 4; must be awarded Credit Transfer (CT) and / or Recognition of Prior Learning (RPL) (where relevant), and this is reflected in the Notification of Enrolment through the Provider

Calculator. Where this occurs, only the proportion of training that is undertaken after 1 July 2018 for the new apprenticeship qualification and 1 January 2020 for the new traineeship qualification is fee free.

Specific apprentice exclusions from eligibility for fee free training, are where a NSW apprentice or trainees who commenced training prior to 1 July 2018 (apprenticeship) and 1 January 2020 (traineeship) recommences their subsidised training:

- a) with the same provider, and is employed by the same employer in the same vocation, or
- b) changes provider and remains party to a training contract with the same employer and in the same vocation
- c) commenced training under a school based apprenticeship/traineeship prior to the above dates and then transitions to a full apprenticeship on or after those dates.

The apprentice / trainee must be granted CT / RPL and be subject to reduced fees due to CT / RPL.

Concession Fees

Concession Fees are discounted fees and are a flat fee of up to \$240.00 (depending on the qualification chosen) for all Certificate levels up to and including Certificate IV. A Fee Concession is available and may be applied for using the appropriate **form** if the student is a recipient of eligible Commonwealth benefits or allowances, or a dependent child, spouse or partner of a person receiving the eligible benefit.

Drug and Alcohol Policy

Austrain Academy has a duty of care to ensure the health and safety of all employees / contractors / student, customers and visitors. The effects of drugs and alcohol can have a significant impact on the incidence of accidents and injuries in the workplace. In addition, dependence on the consumption of drugs and alcohol can have significant short term as well as long term effects. We ask employees / contractors to note the following points:

- no employee / contractor / student is to consume alcohol or partake of any illegal or recreational drugs of any kind whilst on duty or undergoing training & / or assessment (including their breaks)
- where prescribed medication is to be taken it should be done so as directed
- employees / contractors / students must inform Austrain Academy and abide by any warnings that come with their medication (i.e. some medication may cause drowsiness or not be recommended to operate machinery, etc.)
- the above two points also apply for any over-the-counter medication
- if you appear to show signs of having taken drugs or alcohol, your training / assessment session may be discontinued temporarily or permanently or you may be required to submit a medical test

Failure to adhere to the above points may result in Austrain Academy initiating disciplinary procedures against you.

The CEO and Office Manager or Trainer / Assessor of Austrain Academy are advised to detect early or potential signs of drug and alcohol consumption. If you feel you may have a problem related to drugs or alcohol, Austrain Academy encourages you to speak to your Trainer / Assessor, the CEO and / or the Office Manager who will assist you in obtaining further professional advice on a confidential basis.

Discipline

Austrain Academy attempts to provide training and assessment services in a spirit of co-operation and mutual respect.

If a trainer or staff member is unhappy or dissatisfied with the behaviour or performance of a student the trainer has the authority to:

- Warn the student that their behaviour is unsuitable, or
- Ask a student to leave the class, without refund or acceptance into another course, or
- Immediately cancel the class.

If a student wishes to express a complaint in relation to the disciplinary action taken, they have the opportunity to follow our complaints procedure.

We expect that our personnel will maintain a professional and ethical working relationship with all other personnel, management and students. Any breach of our disciplinary standards will be discussed with the trainer and Austrain Academy's CEO and / or Office Manager and the appropriate action will be taken.

Plagiarism

Plagiarism is the act of copying and using another person's expressions or ideas without acknowledging them. You will be required to sign a declaration confirming that all assessments submitted are your own work.

Language, Literacy and Numeracy (LLN) Assistance

Our course standard material contains written documentation and very limited numerical calculations.

We recognise that not all people are able to read, write and perform calculations to the same standards.

We will endeavour to help you where we can to accommodate anyone experiencing difficulties with language, literacy or numeracy.

In the event that a student's needs exceed our skill we will initially:

- 1) Provide reasonable adjustment to our Training and assessment Strategies to accommodate the student.
- 2) Refer the student to an external support provider or bridging course.
- 3) Provide access to an Interpreter (Ph. 13 14 50) that may provide mentoring assistance.

Literacy and Numeracy Support:

National Australian Council of Adult Literacy

Phone: 03 9469 2950

Email: info@acal.edu.au

The cost of the external provider will be at the expense of the student.

Stakeholder Feedback and Survey Policy

Austrain Academy is committed to securing and reviewing advice and feedback from all its stakeholders. Austrain systematically evaluates this feedback and uses the outcomes of the evaluations to continually improve our training and assessment strategies and practices. Evaluation information includes but is not limited to quality/performance indicator data, validation outcomes, client trainer and assessor feedback and complaints and appeals.

Quality Indicator data gathered from students and employers using the required learner engagement and employer satisfaction questionnaire is reported annually to ASQA.

Consumer Protection Policy – (Complaints and Appeals)

We will deal with any student complaints or appeals in an effective and timely manner. The complaints / appeals process will be instigated by the staff member responsible for taking the complaint / appeal. All known details of the complaint / appeal shall be recorded on the Complaints / Appeal Form by the complainant or staff member taking the complaint. The form will be forwarded to the CEO who is the Consumer Protection Officer who will attempt to resolve the complaint or appeal in consultation with management and the complainant / appellant.

All complaints & appeals shall be acknowledged in writing and reported at the next Management Meeting and recorded in the complaints or appeals register detailing the actions taken / required to arrive at a satisfactory resolution of each complaint and appeal.

The CEO and / or Office Manager are responsible for managing the resolution of any appeal or complaint and will be able to supply and assist with the relevant feedback, appeal or complaint form. These forms are also available on the Austrain Academy website: <http://www.austrainacademy.com.au>

- Each appeal and complaint and its outcomes will be recorded in writing via the appropriate form and a record maintained in our SMS.
- We will act upon any substantiated complaint or appeal and these may result in a Continuous Improvement activity within Austrain Academy.
- If an appeal for re-assessment is lodged, we will make all necessary arrangements to conduct the re-assessment of the student at a time that is mutually convenient for all parties concerned. An alternative assessor may be appointed to reassess the unit of competence.
- We will ensure complaints and appeals are finalised as soon as practicable and will inform complainants/appellants in writing the reasons when a complaint or appeal will take longer than 60 days to finalise, and will update the complainant/appellant of progress.
- The complainant or appellant will be provided with a formal written statement of the resolution of the complaint or appeal that will state the reasons for the decision.

If the issue is not resolved through this process, each appeal and complaint can be heard by an independent adjudicator, person or panel. The suitable independent person or panel will need to be agreed upon by both the student and Austrain Academy and could include another external Trainer Assessor. Alternatively, it could include independent commercial mediators such as **Leadr** and **InterMEDIATE**. Government managed organisations such as **Community Justice Centres** may also be utilised. A full list of accredited mediators may be found at <http://www.msb.org.au>

Costs for the independent person or panel, will be borne by Austrain Academy.

The CEO will negotiate the identification and engagement of the mutually agreed person or panel.

If, after following Austrain Academy's internal procedures, you still believe Austrain Academy is breaching or has breached its legal requirements, you can submit a complaint to ASQA by completing the **online complaint form**.

Except in exceptional circumstances, you must attach evidence to your complaint form showing:

- that you have followed your RTO's (Austrain Academy's) formal complaints procedure, and
- the RTO's response

Further details are available at <http://www.asqa.gov.au/complaints/making-a-complaint.html> or by contacting ASQA on **1300 701 801** or email enquiries@asqa.gov.au.

Students enrolled under Smart and Skilled NSW government funded training, must first make their complaint to Austrain Academy following the procedure outlined. If the issue is not resolved, STS will assist with complaints. See <https://smartandskilled.nsw.gov.au/for-students/consumer-protection-for-students> or phone 1300 772 104.

If STS is unable to resolve the dispute, an independent adjudicator may be appointed as outlined above.

Continuous Improvement Policy

Austrain Academy recognises the need for ongoing continuous improvement.

We recognise that opportunities for continuous improvement will occur in every facet of our business and that they can occur through any means. This includes quality indicator data, stakeholder feedback, complaints and appeals, validation sessions and suggestions for improvements.

We recognise the value of these opportunities and have developed a continuous improvement record and register within our Management System. The record and register allow us to record all improvement activities and review these at our monthly management meetings.

Minor improvements generally fall into the category of spelling mistakes, typos or other items that can be added to a list and corrected for the next version. Most documents are reviewed annually, thus the longest a spelling mistake can be in existence is 12 months.

A significant change will precipitate an immediate document change, a new version number and contact to all affected parties resulting in a new document being issued. There is an 'error report' form located within all materials and available on our SMS (JobReady) to be utilised for updates to documentation, materials etc. We will use our continuous improvement process as the corrective action tool for any changes required within our documentation or procedures.

Some of the changes required will occur as a result of a structured review of our tools and processes, such as our moderation meetings, client complaints or appeals, our risk assessment review meetings held with our monthly meetings, self-assessment or even external audit or as a result of feedback from our stake holders. Some of our continuous improvement activities will be as a result of "ad hoc" or "inspirational ideas". Progress with continuous improvement activities is monitored at the monthly meetings. Here the continuous improvements are discussed and implementation results confirmed.

The continuous improvement system is aware that there can be unexpected results of implementing change and thus continuous improvement activities are monitored to check for any "knock on" effects. In the event of a "knock on" effect, we will re-evaluate the improvement and determine if another solution is possible without the knock on effect, or if not the desired choice, we will implement further continuous improvement activities to deal with the "knock on" effects.

Stakeholder Feedback forms are held by the Chief Executive Officer and are available on our website. Continuous improvement items can be raised by any staff member. In the event that a student has raised a continuous improvement item, the staff member receiving the item shall complete the form and act as the student's proxy at all relevant meetings.

Harassment and Discrimination Policy

We are required under Australian law to ensure that we provide a workplace that is free from all forms of harassment and discrimination (including victimisation and bullying) so that personnel and students feel valued, respected and are treated fairly.

We will ensure that all of our personnel understand their roles and responsibilities in creating such a workplace, by a process of training, communication, mentoring and by example, and we will ensure all of our personnel are aware of the processes and procedures for addressing any form of harassment or discrimination.

Personnel and students should be aware of the following definitions:

'Bullying' - is unwelcome and offensive behaviour that intimidates, humiliates and / or undermines a person or group. Bullying involves a persistent pattern of behaviour over a period of time and may include verbal abuse, physical assault, unjustified criticism, sarcasm, insult, spreading false or malicious rumours about someone, isolating or ignoring a person, putting people under unnecessary pressure with overwork or impossible deadlines, and sabotaging someone's work or their ability to do their job by not providing them with vital information and resources.

'Confidentiality' - refers to information kept in trust and divulged only to those who need to know.

'Discrimination' - is treating someone unfairly or unequally simply because they belong to a group or category of people. Equal opportunity laws prohibit discrimination on the grounds of sex, marital status, pregnancy, family responsibility, family status, race, religious beliefs, political conviction, gender history, impairment, age or sexual orientation. Victimisation is also treated as another ground of discrimination.

'Harassment' - is any unwelcome and uninvited comment or action that results in a person being intimidated, offended, humiliated or embarrassed. Equal opportunity laws prohibit harassment on the grounds of sex and race.

'Personnel' - refers to all employees / contractors of Austrain Academy.

'Racial Harassment' - occurs when a person is threatened, abused, insulted or taunted in relation to their race, descent or nationality, colour, language or ethnic origin, or a racial characteristic. It may include derogatory remarks, innuendo and slur, intolerance, mimicry or mockery, displays of material prejudicial to a particular race, racial jokes, allocating least favourable jobs or singling out for unfair treatment.

'Sexual Harassment' - is any verbal or physical sexual conduct that is unwelcome and uninvited. It may include kissing, embracing, patting, pinching, touching, leering or gestures, questions about a person's private or sexual life, requests for sexual favours, smutty jokes, phone calls, emails, facsimiles or messages, offensive noises or displays of sexually graphic or suggestive material.

'Victimisation' - includes any unfavourable treatment of a person as a result of their involvement in an equal opportunity complaint. Unfavourable treatment could include: adverse changes to the work environment; denial of access to resources or work.

Specific principles

- All personnel and students have a right to work in an environment free of any form of harassment and discrimination.
- All reports of harassment and discrimination will be treated seriously, impartially and sensitively. Harassment and discrimination, including victimisation and bullying, is unwelcome, uninvited and unacceptable behaviour that will not be tolerated.

- Management, when informed of any harassment or discrimination, has the responsibility to take immediate and appropriate action to address it.
- In dealing with all complaints, the rights of all individuals should be respected and confidentiality maintained.
- Whenever possible, all complaints should be resolved by a process of discussion, cooperation and conciliation. The aim is to achieve an acceptable outcome while minimising any potential damage to our organisation.
- Both the person making the complaint, and the person against whom the complaint has been made, will receive information, support and assistance in resolving the issue.
- Victimisation is unacceptable and will not be tolerated. No person making a complaint, or assisting in the investigation of a complaint, should be victimised.
- Harassment or discrimination should not be confused with legitimate comment and advice (including feedback) given appropriately by management or trainers.
- Personnel and students should not make any frivolous or malicious complaints. All personnel and students are expected to participate in the complaint resolution process in good faith.

If you feel that you are being harassed, you may like to let the other party know that their behaviour is not acceptable and that you need it to stop. You may also choose to discuss the situation and seek advice from your trainer or the Austrain Academy CEO or Office Manager. You may also lodge a formal complaint.

Student Records Policy & Procedure

We are committed to maintaining and safeguarding the accuracy, integrity and currency of your records without jeopardising the confidentiality of the records or your privacy.

Individual student hard copy records will be stored in a locked secure office area. We further protect our records by maintaining up to date virus, firewall and spyware protection software. Further data security information is available from the CEO.

We conduct an overnight download to an external device of our computer systems; this is the responsibility of our CEO and or Office Manager.

We will securely retain an electronic copy of all completed assessment items relating to each unit or module for at least three years from the date the decision on competence for the individual unit or module was made. This is in alignment with NSW Smart & Skilled contract requirements.

We will upload to the SMS all records associated with students including:

- enrolment and identification documents;
- eligibility evidence
- evidence of fee status;
- Notification of Enrolment Process (where applicable)
- training plan (if applicable);
- training participation evidence such as attendance sheets;
- all RPL / CT evidence and forms;
- completed assessments;
- competency record for every completed unit;
- completion / cancellation / withdrawal / transfer documents & forms;
- copy of credential issued;
- evidence of learning support provided to students

Hard copy records are shredded after uploading and placed in a locked container for collection by a secure service.

Our Student Management System has automated functions and tasks such as file notes and checklists to ensure records are accurate and current.

Our software systems will retain student results for a period of not less than 30 years. In the event that we cease to operate as an RTO, we will transfer all records to ASQA in an appropriate format and details as specified by ASQA at the time of ceasing RTO operations.

Austrain Academy will provide returns of its client records of attainment of units of competence and qualifications to the National VET Regulator on a regular basis, as determined by the National VET Regulator.

All other records including training records, taxation records, business and commercial records will be retained for a period of six years.

We will ensure that any confidential information acquired by us, individuals or committees or organisations acting upon our behalf is safeguarded.

Upon confirmation of your enrolment, you will be provided with a user name and password to our Student Management System via the student online portal. The URL to access this portal is:

<https://austrain.jobreadyrto.com.au/user/signin>

This will allow you to check your progress, view your timetable, communicate with your trainer and Austrain Academy administration and view important documents, and view and update personal information.

All learners who hold a verified USI, and whose results have been reported into the USI system (from 1st January 2015), will be able to access their records through the USI system.

For those students without internet / computer access – please **contact** your trainer or Austrain Academy administration who will assist you to obtain the required information.

Please note – you will be required to verify your identity with a series of questions i.e. date of birth, address, employer, name of trainer. You may be requested to complete the Student Record Access Form if we cannot verify your identity.

We are able to reissue the following:

- certificates and / or statements of attainment,
- copies of personal information,
- assessment results.

These records will require the completion of the Student Record Access Form.

(Please note – there may be administration charges. Please contact our office for charges.)

Access to individual student training records will be limited to the student themselves or those required by the Vet Quality Framework such as:

- trainers / assessors and administration staff to access and update the records of the students whom they are working with,
- management personnel as required to ensure the smooth and efficient operation of the business,

Or

- students authorising release of specific information to third parties in writing via the **Student Record Access Form** or **Enrolment Form**.

In some circumstances, we may be unable to provide access to these records. In that case, we will advise you in writing within five working days of the reasons for refusal and the steps that may be taken by the individual to complain or re-frame the request to mean that access will not be refused.

Recognition of other Qualifications

All AQF qualifications and statements of attainment issued by other registered training organisations will be fully recognised by Austrain Academy.

These qualifications will be recognised and where appropriate could be used to reduce any training program being offered by us.

Before providing credit on the basis of a qualification, statement of attainment or record of results, Austrain Academy will authenticate the information in the document (e.g. by contacting the organisation that issued the document and confirming the content is valid).

We are not obliged to issue a qualification or statement of attainment that is achieved wholly through recognition of units and/or modules completed at another RTO or RTOs.

In some cases, licensing or regulatory requirements may prevent a unit or module being awarded through a credit process.

In the case of superseded UOC's, a judgement will be made by an assessor which completed superseded units may be given a Credit Transfer outcome and which will need to be completed in full or subject to an RPL process. Only units deemed equivalent in the training package will be granted credit transfer.

Note that providing credit for previous studies is not a recognition of prior learning (RPL) process. RPL is a form of assessment of the competence of a person, while providing credit is recognising the equivalence of studies previously undertaken and completed successfully.

Credit transfer applications received by Austrain Academy personnel shall be judged according to Austrain Academy policies and any appeals shall be forwarded to the next scheduled meeting for consideration.

Flexible Delivery and Assessment Procedures

Austrain Academy recognises that not all students learn in the same manner, and that with an amount of "reasonable adjustment" students who may not learn best with traditional learning and assessment methods will achieve good results.

Austrain Academy will make any necessary adjustment to meet the needs of a variety of students. The ability to complete a written assessment is not to be interpreted as a barrier to competency, provided that the student can verbally and physically demonstrate competency.

These adjustments may include having someone read assessment materials to students or they may include having someone record the student's spoken responses to assessment questions.

Austrain Academy undertakes to assist students achieve the required competency standards where it is within our ability.

Where we cannot assist a student, we will refer them, where possible, to an agency that can assist.

Any further questions can be referred to your trainer or Austrain Academy's CEO and or Office Manager. See also the Student Support, Welfare and Guidance Policy.

RPL Policy and Procedure

RPL

RPL is a form of assessment that acknowledges skills and knowledge gained through:

- Formal training conducted by industry or education
- Work experience
- Life experience

The main principle of RPL focuses on the outcomes rather than when or where the learning occurred. Evidence of competency is collected by the applicant and submitted to the nominated assessor and assessment is made based on the required industry standard within the relevant training package unit of competency.

Credit Transfer

Credit transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications. Credit transfer is applicable for the equivalent Training Package Units only. A certificate / statement of attainment / testamur is required to apply for credit transfer.

Austrain Academy is committed to providing up to date and relevant RPL information to all students during enrolment and whilst enrolled. Austrain Academy staff / contractors will provide support and guidance regarding RPL enquiries.

All applicants for Recognition of Prior Learning (RPL) will be provided with a copy of the relevant unit of competency and evidence requirements for the units being applied for as well as our [Recognition of Prior Learning Information Kit](#).

Applicants who are able to provide satisfactory evidence that they have achieved the required unit of competency or competencies may progress through the course with an exemption for the RPL units.

Further information is available in Austrain Academy's Recognition of Prior Learning Information Kit; available from our office or online at www.austrainacademy.com.au

RPL Application Procedures

- Students must first nominate on their enrolment application form that they wish to be considered for RPL and pay any fee applicable (this will be disclosed prior to finalisation of enrolment).
- RPL evidence should be supplied at enrolment if possible or permission given for Austrain Academy to view your USI records when this function is available.
- Please note – RPL may be requested at any point prior to individual units of competence being commenced.
- On receipt of an RPL application / notification, Austrain Academy trainer / assessors will provide the student with the RPL Information Kit.
- Training Staff / contractors will monitor the students' progress in order to provide ongoing advice or assistance in the collection of competency evidence.
- Once a student has completed the collection of their competency evidence they should submit the RPL evidence to their trainer / assessor for assessment.
- Should insufficient evidence be provided further guidance may be provided by training staff / contractors or a scheduled assessment event may be negotiated where observation of the competency in a number of contexts may be conducted.
- All competency decisions shall be recorded with assessment advice and or statements of attainment or qualifications being issued as soon as practicable.
- If a student does not agree with the RPL decision, they may lodge an appeal to have the decision reviewed. (See Appeals Policy & Procedure in the student Handbook)

- Students who believe they have skills and knowledge that would be covered in the training programs offered by Austrain Academy should apply at time of enrolment to have their skills and knowledge assessed and where appropriate have the training program reduced.
- Students can make an application for RPL at any time during the training program.
- For Smart & Skilled students, any RPL granted will reduce the Student Fee payable.
- For other students, Evaluation of RPL applications is charged at \$330 (inc. GST) per Unit of Competence or part thereof. This fee is subject to change, so please contact Austrain Academy.
- Students who are funded through a Work Based Traineeship will be exempt from the above fee.

Training Package Transition and Teach out Policy

Transition Policy

Learners are entitled to graduate with a qualification that most closely represents the current skill needs of industry. A qualification being superseded or discontinued is a clear indication that industry needs have changed to the extent that the previous qualification is no longer suitable.

To best meet the needs of students and industry, Austrain Academy will ensure that:

- a. where a training product on its scope of registration is superseded, all learners' training and assessment is completed and the relevant AQF certification documentation is issued or learners are transferred into its replacement, within a period of one year from the date the replacement training product was released on the **National Register**
- b. where an AQF qualification is no longer current and has not been superseded, all learners' training and assessment is completed and the relevant AQF certification documentation issued within a period of two years from the date the AQF qualification was removed or deleted from the National Register
- c. where a skill set, unit of competency, accredited short course or module is no longer current and has not been superseded, all learners' training and assessment is completed and the relevant AQF certification documentation issued within a period of one year from the date the skill set, unit of competency, accredited short course or module was removed or deleted from the National Register, and
- d. a new learner does not commence training and assessment in a training product that has been removed or deleted from the National Register.

The requirements specified above, do not apply where a training package requires the delivery of a superseded unit of competency.

In the case of the qualification being removed or deleted from the National Register without being superseded by another, and completing the qualification is the best path for the learner, Austrain Academy will ensure that all training, assessment and issuance of certification is completed within two years of the date the qualification was removed.

Transition Procedures

- The CEO and Office Manager shall each maintain an active 'notification account' on training.gov.au website for each qualification and or unit of competency on Austrain Academy's scope of registration.
- The Office Manager shall respond to each superseded qualification or unit of competency on Austrain Academy's scope of registration via a course relevant, summary mapping review.
- The Office Manager shall provide a written report to the CEO detailing the findings from the summary mapping review and the required actions and scheduling to update all relevant Austrain Academy course material documentation and applicable training and assessment strategies.
- All Austrain Academy training staff will be required to implement required actions to deliver reviewed course materials relevant to updated training package qualifications, units of competency and accredited courses.
- The Office Manager shall ensure that specific assessment validation measures are applied to all updated course materials.
- The Summary Mapping Review Report shall be used and completed as a record by the Office Manager and CEO during the review and update.
- Equivalent qualifications / units of competence will be added to Austrain Academy's scope automatically by ASQA. Otherwise, the CEO shall ensure that the scope addition application for updated unit/s or replacement qualifications is submitted as soon as practicable but no later than 12 months from the date of publication of the updated unit/s or replacement qualification on the national register.
- The CEO shall also ensure that State Training Contracts are updated through the appropriate procedure.

- Austrain Academy Management will provide timely, adequate advice and guidance to all enrolled students concerning superseded, expired or deleted units and or qualifications delivered by Austrain Academy.
- The Office Manager will provide written advice to students identifying the publication date of updated unit/s of competency and information concerning the nature of the changes to the unit/s and Austrain Academy's current schedule of progress toward transitioning to the updated unit/s or qualification.
- Following the approval of Austrain Academy's transition of updated units on the National Register, Austrain Academy will commence enrolments in all relevant new courses.
- A new learner does not commence training and assessment in a training product that has been removed or deleted from the National Register.
- A student who has not completed a superseded qualification / unit by 12 months following the publication of its replacement, will be immediately transferred to the replacement qualification / unit/s. If they are unable or unwilling to transfer, a Statement of Attainment and Record of Results will be issued detailing the units achieved to that point.
- The requirements specified above for units of competence do not apply where a training package requires the delivery of a superseded unit of competency.

Volume of Learning

The **Australian Qualifications Framework (AQF)** provides a guide to the volume of learning, which describes how long a learner who does not hold any of the competencies identified in the relevant units of competency or modules would take to develop all the required skills and knowledge. The volume of learning includes all teaching and learning activities such as guided learning (classes, lectures, tutorials, online or self-paced study), individual study, research, learning activities in the workplace and assessment activities. The amount of training provided by Austrain Academy is part of the overall volume of learning and relates primarily to formal activities including classes and other activities as well as workplace learning. Austrain Academy is required to comply with the AQF in applying the volume of learning to its programs. Austrain Academy has developed and implemented strategies for training and assessment that are consistent with the AQF. Different strategies will be developed for different delivery models and target groups.

If a course is structured so as to be completed in a shorter time period than that described in the AQF, then the specific learner cohort must have the characteristics to achieve the required rigour and depth of training, and be able to meet all of the competency requirements in a shorter timeframe.

All programs must take into account the need to allow learners to reflect on and absorb the knowledge, to practice the skills in different contexts and to learn to apply the skills and knowledge in the varied environments that the 'real world' offers before being assessed.

Assessment Standards

All assessments conducted by us will:

- Comply with the assessment guidelines defined in the relevant nationally endorsed training package. In the case of our qualifications we will ensure that the competency assessment is determined by a vocationally competent assessor who holds the TAE10 qualification or the equivalent qualifications.
- All of our assessments within our RTO will lead to the issuing of a statement of attainment or the issuing of a qualification under the AQF where a person is assessed as competent against the National Endorsed units of competency in the applicable training package.
- All of our Assessments will adhere to the **Principles of Assessment**:

Fairness

The individual learner's needs are considered in the assessment process. Where appropriate, reasonable adjustments are applied by the RTO to take into account the individual learner's needs. The RTO informs the learner about the assessment process, and provides the learner with the opportunity to challenge the result of the assessment and be reassessed if necessary.

Flexibility

Assessment is flexible to the individual learner by:

- reflecting the learner's needs;
- assessing competencies held by the learner no matter how or where they have been acquired; and
- drawing from a range of assessment methods and using those that are appropriate to the context, the unit of competency and associated assessment requirements, and the individual.

Validity

Any assessment decision of the RTO is justified, based on the evidence of performance of the individual learner.

Validity requires:

- assessment against the unit(s) of competency and the associated assessment requirements covers the broad range of skills and knowledge that are essential to competent performance;
- assessment of knowledge and skills is integrated with their practical application;
- assessment to be based on evidence that demonstrates that a learner could demonstrate these skills and knowledge in other similar situations; and
- judgement of competence is based on evidence of learner performance that is aligned to the unit/s of competency and associated assessment requirements.

Reliability

Evidence presented for assessment is consistently interpreted and assessment results are comparable irrespective of the assessor conducting the assessment.

We will achieve this through:

- careful design of the assessments,
- validation and moderation of the assessment materials conducted at least annually or when new training packages (or updated versions) are published,
- an understanding of the definition and practical application of the above definitions.

Assessment Criteria

All of our assessments will provide for applicants to be informed of the context and purpose of the assessment and the assessment process.

This will include information regarding assessment methods, and alternative assessment methods if required to accommodate special needs or circumstance. Information will also be included at the start of each unit or course as to the assessment processes, number of assessments and the types of assessment.

Assessment Methods

Our assessments and assessment methods will ensure that we:

- focus on the application of the skill and knowledge as required in the workplace, including:
 - Task skills (actually doing the job)
 - Task management skills (managing the job)
 - Contingency management skills (what happens if something goes wrong)
 - Job role environments skills (managing your job and its interaction with others around you)

We will ensure that we assess you in sufficient detail to ensure that we can determine that you have attained competency. Personnel are available to discuss and provide limited professional advice as to the outcomes of the assessment process and guidance on future options.

All assessment tasks must consider any language and literacy issues, cultural issues or any other individual needs related to the assessment. Re-assessment is available on appeal; see further details in the appeal policy section.

Austrain Academy's assessment processes and documents allow for assessment of Foundation Skills. They are defined as the combination of:

English language, literacy and numeracy (LLN) – listening, speaking, reading, writing, digital literacy and use of mathematical ideas; and employability skills, such as collaboration, problem solving, self-management, learning and information and communication technology (ICT) skills required for participation in modern workplaces and contemporary life. Foundation skills development includes both skills acquisition and the critical application of these skills in multiple environments for multiple purposes. Foundation skills are fundamental to participation in the workplace, the community and in adult education and training.

Assessment Validation and Quality Control

Validation is a review of assessment judgements made by Austrain Academy. Validation is generally conducted after assessment is complete. The process must be undertaken in a systematic way. It involves checking that assessment tools have produced valid, reliable, sufficient, current and authentic evidence.

Validation may include engagement with industry to confirm the assessment system produces valid assessment judgements, and ensures graduates have the skills and knowledge required by industry, as expressed in the training package or accredited course.

Moderation is a quality control process aimed at bringing assessment judgements into alignment. Moderation is generally **conducted before the finalisation of student results** as it ensures the same decisions are applied to all assessment results within the same unit of competency.

The requirement in the Standards to undertake validation of assessment judgements does not affect our ability to undertake moderation activities, or any other process aimed at increasing the quality of assessment.

RTO Austrain Academy CEO will schedule validation and moderation activities so that each training product and associated materials and processes are validated at least once every five years, with at least 50% of products validated within the first three years of each five year cycle, taking into account the relative risks of all of the training products on the RTO's scope of registration, including those risks identified by the VET regulator. The sample of assessment judgments selected for validation is random and is representative of all assessment judgments. This will allow for reliable prediction of the likelihood of any assessment judgment being valid. The tools used to assist in determining the required sample size is ASQA's **validation sample size calculator**.

Systematic validation of Austrain Academy's assessment practices and judgements is undertaken by one or more persons who are not directly involved in the particular instance of delivery and assessment of the training product being validated, and who collectively have:

- a. vocational competencies and current industry skills relevant to the assessment being validated;
- b. current knowledge and skills in vocational teaching and learning; and
- c. the training and assessment qualification or assessor skill set referred to in **Item 1 or 3 of Schedule 1 of the Standards**.

Industry experts may be involved in validation to ensure there is the combination of expertise set out in (a) to (c) above. Industry representatives must have input into the skills and knowledge our trainers and assessors are required to hold, and the resources used for training and assessment.

Where updated materials are required outside of the scheduled review (eg. Training Package updates); all applicable materials will be updated and subject to the validation process prior to replacing the existing materials.

Using the Assessment Validation template or similar document, each assessment tool, mapping document, facilitator guide and associated materials and policy will be reviewed to ensure they:

- comply with the assessment requirements of the relevant training product
- ensure the principles of fairness, flexibility, validity and reliability are adhered to
- have been designed to produce valid, sufficient, authentic and current evidence
- are appropriate to the contexts and conditions of assessment (this may include considering whether the assessment reflects real work-based contexts and meets industry requirements)
- are appropriate in terms of the level of difficulty of the tasks to be performed in relation to the skills and knowledge requirements of the unit
- provide sufficient instruction to clearly explain the tasks to be administered to the learner (if the assessment samples demonstrate the evidence provided by each learner is markedly different, this may indicate that instructions are not clear)
- give sufficient guidance as to the evidence to be gathered from the learner
- outline appropriate reasonable adjustments that could be made to the gathering of assessment evidence
- provide sufficient instructions for the assessor on collecting evidence, making a judgement, and recording the outcomes of the assessment (assessment samples should validate recording and reporting processes)
- are supported with evidence criteria to judge the quality of performance (if the assessment samples demonstrate the judgements made about each learner are markedly different, this may indicate that decision-making rules do not ensure consistency of judgement), and
- adhere to the requirements of the RTO's assessment system.

Samples of completed assessments will be reviewed to determine any:

- Consistent misinterpretations of questions by participants
- Consistent erroneous answers by participants
- Consistent misinterpretation of questions or answers by trainer/assessors

The mechanism for initiating the change and monitoring progress will be the Continuous Improvement process and the Monthly Management Meeting will be the forum of communicating the intended change and implementation process for the new documentation.
