

Hi Peter,

I would like to say thank you for all your work in helping me through the Retail Certificate IV course in retail liquor management.

I really enjoyed it & thought the program terrific. It has certainly helped me, in not only aspects of day to day trading but also longer term & 'outside the square' thinking.

Five Way Cellars is a unique business in some respects insofar that we are small in size but in a fine wine market & family owned. This has its own set of challenges & the course has certainly helped me look at certain things with fresh eyes & increased awareness.

Thanks again & to the Austrain Academy.

Kind regards

Todd Slater
