### Health and Safety Representative (HSR) 5 day course

The Health and Safety Representative 5 day course is designed for newly elected HSR's. Providing HSR's with an understanding of their roles, responsibilities and powers as listed in the legislation.

HSR training courses can also be accessed by other members of your organisation such as health and safety committee members, managers and supervisors to assist them in understanding the legislation relating to consultation and the important role of HSRs in the workplace.

### Health and Safety Representative (HSR) 1 day Refresher

This course is designed for elected HSRs under the WHS Act who have:

- already completed the HSR Initial 5 Day training or
- deemed HSRs who had previously completed the OHS Consultation 4 day course plus the HSR Bridging/Gap 1 Day Course.

HSRs are entitled to attend one day's refresher training each year (as provided for in the WHS Act Section 72), with the entitlement to the first refresher training commencing 1 year after the initial 5 day course. Participants will refresh their understanding of their roles, powers and functions in the representation, monitoring, investigation and enquiry into work health and safety management at their workplace under the WHS law.
